ATTN: Ms. Jill Sugarman

Dear Ms. Sugarman:

The Friends of Lois Capps Committee Filed an amended October Quarterly Report today.

The Amended Report reflects corrections to the aggregate year to date donations for a number of the committee's donors.

Due to an error in the uploading of contribution information, a number of duplicates were inadvertently created in our FEC File Software.

We have identified the problem and taken steps to ensure that it does not happen again.

Unfortunately, we noted the problem only after filing our original October Quarterly Report.

The Amendment corrects these discrepancies but causes no change to our total cash on hand or amount raised.

Additionally, it came to our attention that a donation was received by the committee which exceeded the total amount allowed from an individual.

We have refunded the contribution and that expenditure will be listed in a future Financial Disclosure report.

Thank you in advance for your assistance with this matter. I apologize for any inconvenience.

Sincerely,

Ben Romo
Friends of Lois Capps
